Coach: Includes voting rights. Note that coaches will need to pay additional fees directly to U.S. Figure Skating for the additional registration process that is required of all coaches before they can be listed as an approved coach. Registered coaches are sent a rulebook from headquarters.

Collegiate: A special 4-year membership for college-age skaters; no critiques. Member will have voting rights at age 18. Dues are paid once, at the beginning of this 4-year membership. A skater already past the freshman year may still select this 4- year membership category.

2009-2010 MEMBERSHIP INSTRUCTIONS – PAGE TWO

PARENT MEMBERSHIPS:

Parents are the voting members for skaters under age 18, so we need contact information for you. Please complete the Parent Member information on the bottom of page 1. Enter your name, USFSA # (if known). Birth date information for parents is optional. Address, phone, and e-mail should be entered only if it is different from your child's information.

EMAIL ADDRESS: This is the best way for the club to contact you. Please include your current email. SCNY will give your email address only to U.S. Figure Skating, and to no one else.

Parents who are or wish to be Coach, or Adult, members of SCNY, should check the box below your name, and send in a separate application attached to your child's application. If the parent is also a skater who takes tests, then they should join as an Adult member.

Transferring parents: If you were a member of another club for 2008-2009, check the appropriate box and enter the name of your home club (See TRANSFER and ASSOCIATE info below for details). Fill out the rest of the information requested. Address, phone, and e-mail should be entered only if it is different from your child's information.

TRANSFER MEMBERSHIPS:

If you were a member of another club or an individual member directly with U.S. Figure Skating for 2008-2009, and wish to transfer to SCNY, you can do so at the time of membership renewals in the summer. If you have not already renewed with your home club for 2009-2010, you will not need the additional "change of club" form. Just check TRANSFER at the top of the form and fill in your previous home club name.

If you have already renewed with your home club for the 2009-2010, call **(646) 638-0030** or email mail@thescny.org to ask about a change of club form. Skaters may change clubs in the summer before registration deadlines for Regionals or in the Spring after the end of the qualifying competitive season.

ASSOCIATE MEMBERSHIPS:

If you wish to retain your current club as your home club, and **still get all of the benefits of SCNY membership**, check the appropriate ASSOCIATE box at the top of the form and enter your home club name. Then select the appropriate SCNY membership type, and pay the indicated fee. There is no reduction in the membership fee for Associate members.

Associate members do not receive a permission letter from SCNY, and must represent their home club in competitions; but associate members will otherwise have all the benefits of SCNY membership as described above.

SYNCHRO ASSOCIATE MEMBERSHIPS:

For some members of Synchro teams associated with SCNY, the skater may already have home club membership with another club. In those cases, the skater then joins SCNY as an Associate Synchro member. The application for the Associate Synchro membership is available from the team secretary. This Synchro Associate membership **does not** include testing privileges at club member rates.

Other members of Synchro teams may already have full home club membership with SCNY, which gives them testing privileges and all other SCNY membership privileges.
